

## Permission from Test Author to Reproduce and Distribute a Translated Test Version

### 1.0 Definitions

- 1.1. “Original Test” refers to the original version of the test prior to translation.
- 1.2. “Translated Test” refers to the translated language version of the test.
- 1.3. “Test Author” is the author of the Original Test prior to translation.
- 1.4. The “Copyright Owner” of the Original Test is the Test Author unless those rights were transferred in writing to a publisher or other entity. [If such rights were transferred, then please refer the Translation Test Author to the Copyright Owner for permission instead of completing this form.]
- 1.5. “Translation Test Author” is the author who performed the translation and created the Translated Test.
- 1.6. The Translated Test is a “Derivative Work” of the Original Test as defined by the U.S. Copyright Act. This means that the Translation Test Author and the Copyright Owner of the Original Test share rights in the Translated Test. The Copyright Owner of the Original Test must provide permission for the Translated Test to be reproduced and distributed.

### 2.0 Permission Agreement

- 2.1. This Permissions Agreement concerns my Original Test entitled  
State Difficulties in Emotion Regulation Scale,  
which has been translated into the German language (Translated Test)  
by Dr. Maurizio Sicorello (Translation Test Author).
- 2.2. I, Jason Lavender, PhD (Test Author), certify that I am the Copyright Owner  
of the Original Test. I have not transferred copyright of the Original Test to a commercial test  
publisher or a book or journal publisher.
- 2.3. I grant the following permissions concerning the reproduction and distribution of the above  
named Translated Test insofar as it is a Derivative Work of my Original Test.
  - 2.3.1. The Translation Test Author may publish the Translated Test in the American  
Psychological Association (“APA”) journal entitled:  
Psychological Assessment

- 2.3.2. The Translated Test may be reproduced and distributed in the APA PsycTESTS database.
- 2.3.3. I authorize APA and its distribution vendors to indicate to authorized users of the PsycTESTS database that the following conditions apply to the use of the Translated Test content (**you must check one**):

☒ a. The Translated Test content can be reproduced and used for non-commercial research and educational purposes without seeking written permission. Distribution must be controlled, meaning only to the participants engaged in the research or enrolled in the educational activity. Any other type of reproduction or distribution of the Translated Test content is not authorized without written permission from the Translation Test Author [who is obligated in turn to seek consent from the Test Author].

OR

☐ b. Any type of reproduction or distribution of the Translated Test content by authorized users of PsycTESTS is not authorized without written permission from the Translation Test Author [who is obligated in turn to seek consent from the Test Author].

**By signing below**, Test Author grants the permissions described herein.
